MEMORANDUM FOR: Commander-in-Chief, Headquarters, Strategic
Air Command

SUBJECT: Lieutenant Colonel Harry B. Bailey

Recently two associates of mine from the Central Intelligence Agency and I spent two days conferring with Intelligence Officers at SAC Headquarters. The officer responsible for arranging our discussions was Lieutenant Colonel Harry B. Bailey of your Headquarters. I would like to express officially my appreciation of the efficiency and smoothness with which Colonel Bailey carried out his responsibility in connection with our discussions. Our visit was highly profitable and we carried away an outstanding impression of the efficiency and purposefulness of the organization. It is a pleasure to meet and to do business with officers like Colonel Bailey.
